 Day 2 9am-6pm
Date: [Click to check Training Calendar](#)
Rounds: 500 rifle, 200 handgun
Price: 1 Day \$200.00, 2 Day \$300

This is a intensive one day course that covers all of the essential skills involved in fighting with a modern patrol carbine rifle. Class is will last all day on Saturday, 9:00am to 6:00pm. Students will be challenged with progressively demanding drills.

Topics covered in this course will include:

- **First Aid for gunshot wounds**
- **Force on Force exercises**
- **Lethal force continuum**
- Effective gun handling techniques
- Rapid reloading techniques
- Speed at close ranges
- Precision shooting at mid-ranges

- Movement skills
- Injured shooter Drills
- Target discrimination
- Defensive mindset

Expect to fire about 500 rounds of rifle ammunition and 200 rounds of pistol ammunition. This course is designed expressly for the armed citizen or law enforcement professional that has access to a modern defensive style carbine (AR, AK, etc).

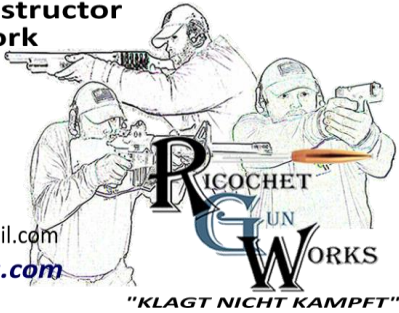

You will need a quality, functional carbine, a quality sling, 3 rifle magazines, at least 1 rifle magazine pouch is desirable, (Vests and plate carriers are welcome, but not required) a quality handgun, holster, belt, and magazine pouch, at least three magazines, a ball cap, eye and ear protection, and rain gear (we train rain or shine). A cooler with soft drinks, snacks and lunch is a very good idea.

Please bring good quality ammunition. You will shoot better, your gun will function better, and you will learn faster.

Your primary instructor will be Paul Hamers, owner, **RICOCHET GUN WORKS**. Tuition is 1 Day \$200, 2 Day \$300.
